

Haywood Community Connections is Information Central, a hub facilitating the flow of information to and from the various communities of Haywood County, creating a network dedicated to assisting and linking seniors with information and services, providing increased options to aid seniors to live as independent as possible for as long as possible. Among the ways to locate services and programs are:

- **Dial 211**
- **Visit our web site at www.haywoodconnections.org**
- **Stop in to pick up a copy of our Haywood Senior Directory**
- **Call 452-2370**
- **Contact a member of your Community Support Team**

Community Support Teams are being established in communities across the county. These individuals have been trained regarding available programs and services for older adults and are prepared to provide you with information pertaining to your needs. Please call if you need help.

Want to find out more about how you can help?

Haywood Community Connections urges you to get involved either by stepping forward and training to be a leader in your community or becoming a volunteer in one of the many projects designed to better the lives of the citizens of Haywood County. Call or stop by to see how you can help make our community a place where older adults live securely, surrounded by caring friends and neighbors, knowing there is no finer community in which to live and age.

Community Partnerships for Older Adults is a national program funded by the Robert Wood Johnson Foundation to help communities develop leadership, innovative solutions, and options to meet the needs of older adults over the long term.
