

Introducing ...
Life Stories
by StellarMedia

*Preserving
family memories
for all time.*

**Preserve your
family legacy on video
for future generations!**

Stellar Media can capture your parents' biography on film and provide a legacy that can touch lives in your family for generations to come. You can honor your parents by valuing their life experiences. You can create a way for future generations to know these remarkable individuals who shaped your life.

**Stellar Media is offering a 20% Donation
to Haywood Community Connections for
each biography contract.**

Contact Eric Larson, founder and owner of Stellar Media, operating right here in Haywood County, at 828-777-8459, and just tell him you were referred by Haywood Community Connections. This is a simple way for you to contribute to Haywood Community Connections as it strives to improve quality of life for seniors in Haywood County. To learn more about Haywood Community Connections visit the website at www.haywoodconnections.org or call 828-452-2370.

Stellar Media's special base price of \$499 includes an on-camera interview with your relative, digitally edited with up to 30 photographs that you provide on CD. You will receive a professionally produced documentary DVD with scene-driven menu and beautiful music. They can also integrate old film footage, additional interviews, or other elements into your production. To learn more about Stellar Media visit the website at <http://www.stellarmediaonline.com>
